Class History

On September 1, 1948, room 100 was filled with a group of about 86 Freshman. Mr. Hillkirk really had his hands full with such a large class. After we had gotten acquainted the following officers were chosen: President, Bob Schall; Vice President, Dick Hill; Secretary, Evelyn Hollabaugh; Treasurer, Peggy Reed. Our first big success was our float which won first prize. The theme was based on the need for a new cafeteria. Then the Seniors rushed us with initiation and were really rough on us but we enjoyed it and the Seniors gave us a nice party afterwards. Since we had so much talent in our class we put on an assembly and took in a tidy little sum on it. The outstanding event of the year was the Jr. Hi Christmas Dance. A swimming party was also one of the highlights of the year.

After summer vacation we were under the guidance of Mrs. Underwood and Miss Feldmiller. The following officers were also chosen: President, Bob Schall; Vice President, Evelyn Hollabaugh; Secretary, Emma Lee Offensend; Treasurer, Peggy Reid. We didn't do so well on our float this year but we won second place. We made up for this by having a crazy basketball game to make some money. We took a trip to Pittsburgh with the Juniors which proved to be very enjoyable and entertaining. The biggest event was selecting our class rings. We were very much excited over them and thought they were the nicest ones we had ever seen. We had several tureen dinners during the year and a very nice Christmas and Valentine Party.

The Smith Brothers were waiting to greet us as we started our Junior year. The class chose the following as officers: President, Bob Schall; Vice President, Bud Morrell; Secretary, Evelyn Hollabaugh; Treasurer Peggy Reed. The first undertaking was the Halloween Party which was a big success. Then came the St. Patricks Day Dance with Clyde Golden and his orchestra playing. Another big success was the Jr.-Sr Banquet. The theme was Aloha which means farewell in Hawaiian. The food, entertainment, and decorations were carried out in a native Hawaiian style. This ended our third year.

All summer we felt pretty good and could hardly wait until we would return to school as dignified Seniors. Mr. Axtell and Mrs. Struchen were our class advisors. To lead us through our final year the following officers were chosen: President, Danny Clark; Vice President, Dick Hill; Secretary, Evelyn Hollabaugh; Treasurer, Peggy Reed. We won first prize on our float this year. We had a lot of fun initiating the Freshmen and were a little rough on them but made up for it by giving them a real nice party. The Senior Play was a real success. It was entitled, "Professor, How Could You!" The Yearbook Staff was chosen and got underway. At Thanksgiving we had a dance with Larry Jones' Orchestra playing. Then in May the Junior-Senior Banquet was held. The long awaited Graduation exercises came next which were really tear jerkers for some, while for others they were just the opposite. The final event in our lives as a class and as high school students was a very enjoyable trip to Washington.

A DAY IN THE LIFE OF THE SOPHOMORE CLASS

It was a *Dilly* of a day as the sun broke over the skyscrapers. We threw back the *Sheatz* and *Klined* out of bed in our luxurious rooms at the *Hotel Van Dervort* in New York City where somehow we had ended after getting our *Rhoades* crossed on a trip to San Francisco. First a quick look in the *Mears* to see if we were all there, then we pulled the *Raup* for *Bellhop* service. Soon we were served a delicious breakfast of *Cutchall's* Crunchies.

"Now," said *Don Babbitt*, "I think we should take a drive around town." But before we left, we had to catch up on *Dick Tracy* in the funny papers. Somehow we ended up in the country. While enjoying our drive, we noticed that *Beverly McCartney* wasn't there.

"I bet *Schmidt* the bus," came from *Dorothy Mitich*. We all agreed and continued our trip.

Soon we came to a *Hill* where, to our surprise, we saw three men bent under the *Hood* of an old tin *Lizzie*.

We stopped and one man came over and said he was a tourist from England and didn't know much about his car, which was a *Wagner* model, nor did his two friends, *De* and *Walt Smith*.

Jack Wentworth quickly offered our services and we all went over to help.

"*Riley*," said the Englishman, "I think this thing is *Dunn* for. "For '*Evans* sake," said *De*, "*McQuiston* is this. What keeps the car running?"

"There is *Linton* the battery and the gas cap isn't on *Wright*," said *John Ongley* who had been busy looking things over. "Don't *Stall Smiths* motor," yelled the Englishman to *Paul Harry* who was inside busily pushing buttons and turning knobs.

"I think it needs *Moore* gas," *Joan Feldmiller* added.

"Yes," agreed *Walt*, "and the *Schaff* doesn't seem to be on *Stright*.

"*Sayre*, old boy," said the Englishman to *Mr. Jones* our chaperone who was busy setting under a tree, "If I don't get this wreck fixed soon I am afraid I will have a *Hart* attack. So our two able mechanics *John Davison* and *Dick Chenoweth* started to work and in a few minutes the three gentlemen were in the car going down the road. We all got back in the bus and continued our journey.

Since it was nearly noon we were looking for a place for a picnic. We soon approached a big farm. While we were driving up the lane we got stuck in the mud. We decided to all *Bailly* out and *Choffel* the mud. After many a *Huff* and puff, we were out and continued toward the house. Old *Macdonald* the farmer,

out from the barn to greet us. We went into the barn and watched him *Mook* a cow. He said his hired man *Lu* was *bold* that day and had several *Beers* so he fired him and since he had so many cows to milk, *Ester Shull* said we should help him; so we did.

Then he took us to see his new *Hogues* that he had bought a few days ago for two *Shillings*. *Pat Pressler* said they were the prettiest hogs she had ever seen, but we don't think she even looked at them.

On our way back, we spied *Allen Shoe*y and *Jack Walton* feeding the *Heffer*, *nan*, with a baby bottle. We all stopped to watch. Just then a big moving *Vaughn* pulled up in front of the house. Old *MacDonald* said his good friend, Old *McDaniel*, was coming to live with them for awhile.

He took us over to a pretty little pond with some *Malliards* swimming around. Then his wife *And er son* and *John son* and *Peter son* came over to see us. We talked for awhile till we heard some one cry, "*Mc Caught* trying to get over the fence." It was Old *Macdonald's* daughter. "*Turner* over and unhook her dress," he called. At once *Peggy Tingly* ran to the little girl's assistance. Then *Chuck Peters* saw a pretty *Kelly* green field near by and asked Old *MacDonald* if we could use it for a picnic. He said yes and when we offered to pay for it he said we could use it *Free*.

When we got there, the boys started a game of *Ball*. We sent *Carl Wilcox* and *Wayne Stright* to find some wood; but they came back and said there wasn't any *Wood worth* anything, so we sent *Ronald Stallsmith* to help them and soon they had quite a pile. Then *Pearl Hinkle* and *Patsy Kelchner* put the food on the blanket. We had a delicious dinner of corn on the *Cobb*, *Beans*, and *Clark* bars.

Then we started home. On the way, we passed a *Miller* and a *Shoemaker* at work in front of an old house. When we got back to the city, we went to the *Sunbeam* plant to see the new *Mcx Master* at work. Then, we stopped at a photographic studio to have our pictures taken. A small girl was posing at the time. She wouldn't smile, so the photographer said, "*Grin Nell*." She did and soon it was our turn. The picture was good even though *Shirley Stavey* had her eyes closed.

When we got back to the Hotel, we saw a would-be holdup by a man disguised as a *Knight* in shining *Armour*. Fortunately, the guard was by *De Vault*.

Need we *rePete*, we had a very interesting and exciting day.

The *Morrell* of this story is *Vonnie*.

Senior F. H. A.

The Senior F.H.A., though small in number this year, has had a busy year. Members presented a demonstration on different ways to serve chicken for the Poultrymen's Association at the Crawford County Fair. They helped with the Cochranon Fair getting buildings ready, entering and cleaning up. Late in September they served the dinner for the County P.T.A. Council.

The local chapter was represented at the Northwestern Pa. Livestock Show when Thelma Robertson competed with other contestants from the district for the title of Livestock Queen. Thelma appeared in the parade at Meadville and on television at Erie.

In January, four seniors accompanied by Mrs. Smith and Jeanne Marie Smith attended the State Farm Show at Harrisburg where Lucille Taylor, Lorena Phares and Jeanne Marie presented a demonstration "Safety First". They repeated the demonstration in April at the County P.T.A. Council meeting held in Vernon Twp.

All members attended the state F.H.A. convention at the William Penn Hotel, Pittsburgh, March 21 and 22. The girls have had many money raising ventures including serving refreshments at the Eastern States Co-Operative meeting, movies, spaghetti supper, vanilla, fudge and cookie sales.

The Senior Tri-Hi-Y Club meets activity period on Tuesday, with Miss Brock as the advisor.

The club's first activity of the year was packing, decorating, and delivering Christmas baskets. This project was sponsored by the Community Chest.

Last summer Donna Armour and Claire Bauer went to Cleveland to a convention of the Tri-Hi-Y and Hi-Y Clubs for young people from all over the world. Audrey Wheeling went to the Officer's Training Camp at Grove City. The girls who made these trips gave very interesting and informative talks about their trips to the other members of the club.

Valentine's Day was celebrated with a tureen dinner and the exchange of valentines. It was such a success that the girls decided to have another in the near future.

After each meeting, they took up the project of painting figurines. From this they learned much about blending paints for new color schemes.

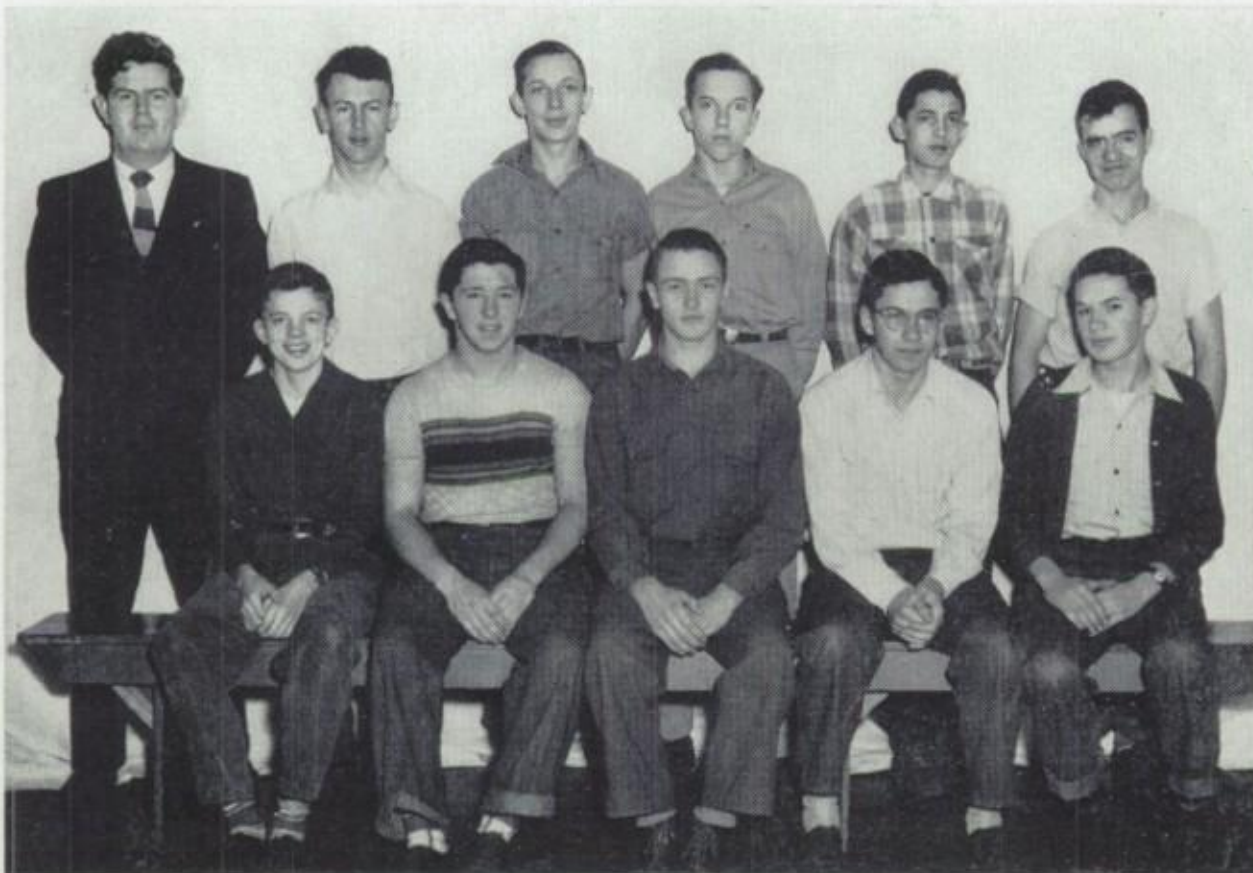

In April the girls went out to dinner and then to the movie, "Singing in the Rain."

Their mothers were entertained at the annual Mother and Daughter Banquet with a delicious tureen dinner. After dinner the girls presented a very entertaining program for their mothers.

To earn money to go for a weekend to Canadota Lake, they had a taffy sale and many fudge sales. Everyone is looking forward to a wonderful time swimming, skating, and horseback riding.

As the year draws to a close, the Tri-Hi-Y Club is looking forward to many years as successful as this year has been.

F. F. A. Chapter Review

Our F.F.A. rented, for the 5th consecutive year, the farm of Mrs. Elizabeth Stockton. This year we had the farm seeded to hay and pasture, with the exception of 12 acres of wheat. We harvested 350 bushels of wheat, which was sold to Fredonia and to chapter members. We also planted 10 acres of corn on land that was rented from Mr. McCullough, and had 500 bales of mixed clover and timothy hay at the farm.

Our main project at the farm this year was 17 head of fattening steer. These steers were bought in October 1950 at sales at Waynesburg and Brookville. They were kept at the farm and in the spring were turned out on good ladino pasture. In August, the steers were brought in to the feed lot and were fed the grain that was harvested from the farm the year before. Several of our members had individual steer projects of their own. Steers were all taken to the Northwestern Pa. Livestock Show and Sale that was held October 24 and 25th at the Crawford Co. Fair Grounds. The Cochran F.F.A. had a right to be proud of their steers. One of the members showed the Reserve Grand Champion at this show. We had 9 purple ribbon winners out of 10 steers that were judged worthy of this award. Our chapter also had 8 blue ribbon steers, 5 red ribbon steers and 3 white ribbon steers. The Cochran Chapter made a profit of \$1,043.84 on the group project.

We have another steer project started for next year at our F.F.A. farm. There are 18 steers in this new project, and we hope to do as well on them as we did last year. Two of the boys have projects of six steers each and others have projects of one or two steers. Our F.F.A. boys find the steer projects interesting and the prize money is very nice.

In December, we entered our project books in the County Contest and our books took first place among the county schools. The winning books were then entered in the state contest and we had 4 silver medal winners.

We had 2 Keystone Farmers Award winners this year. They were: Jim Weir and Kenneth Turner.

On January 14, 12 of our members went by bus to the State Farm Show at Harrisburg. The Keystone Farmers received their degrees and all the boys reported a good time.

"All work and no play makes Jack a dull boy" so our F.F.A. sponsored an "ole fashioned hoe down" in the school gym on Jan. 31st. Music was provided by Fred McComb and His Fun Makers. Former F.F.A. boys were invited and about 100 fellows and their girls waltzed and do-si-doed and had a nice time.

In February, we bought a new John Deere B tractor, plows and cultivators from John Oakes. In March, we bought a G.M.C. truck from the Government. Our steer project money was invested in the purchase of this equipment.

Our chapter also has a chick project this year. We got 225 white Rock cockerals in February; so far we have lost only 4. We expect to sell them to our members and take the rest of them to the Butler auction.

Our Parent and Son Banquet was held on March 19. Our speaker this year was Mr. L. D. Odhner of the Pennsylvania Chain Store Council. The turkey dinner was delicious and bountiful—the speaker was interesting; so our banquet was its usual success.

The boys have been busy this spring in our work shop. The G.M.C. truck motor has been overhauled by a couple of the boys. Some of the boys are busy building a farm wagon—a trailer and a wagon bed, also a couple buzz saw rigs for on tractors.

Looking back over the past year, the F.F.A. members and their instructors think it has been a good year and hope the next year will be even better.

Our Band

Mrs. Bonita Inglefield is the capable director of the Cochran High School Band which is composed of 52 members.

Our band made several public appearances, including Meadville, Townville, and at the local Fair. We also merged our musical abilities with Wesleyville and produced a combined concert which was a great success under the direction of Mrs. Inglefield and Mr. Brooks.

Another highlight in the 1951-52 year, was the rendering of several well chosen numbers to open the Christmas Concert, which was followed by the mixed chorus.

Our band was represented at North Western District Band by the following people: Peggy Reed, Jane Burchill, Beverly Helsel, Betty Lou Pearce, Harold Crawford, Richard Hill, David Pete.

The annual spring concert will be next on the year's activities. In this concert, some solos will be featured and also a few numbers by the Chorus.

The band will play for commencement and end its year of activities by leading the Memorial Day Parade.

Senior Chorus

The Senior mixed chorus directed by Mrs. Inglefield is composed of 65 members.

The first public performance of the year was the Christmas Concert by candlelight. The chorus then put on a very successful operetta, "The Belle of Bagdad."

On March 28, they enjoyed a swimming party at the Y.M.C.A. in Meadville, followed by a movie.

They put on a lovely Spring concert.

The final program of the Senior Chorus was Baccalaureate.

ROBERT SCHALL

Bob has been an outstanding leader in musical activities for all of his high school years. He has been solo trumpet in the band for two years and lead vocal soloist in the operetta for three years. The class of '52 can well be proud of his able musicianship. To Bob we wish all success and happiness.

Shirley, Wilma, Kitty and Dick have displayed their many talents in the music field for many years. Shirley has lead the clarinet section of the band for two years while Wilma and Kitty kept the Tenor Sax section under control. Dick has led the rhythm section of the band for three years and for the last two years has ably performed on the new tympani. All four have

been outstanding in vocal music. Shirley, Wilma and Kitty have performed in concert as a trio and Dick and the girls all sang in the mixed ensemble. Wilma has done a capable service to the music department as accompanist for the Senior Chorus and Operetta. Kitty represented our school in the State Chorus Festival at Wilkes-Barre in 1952.

"The Belle of Bagdad"

The Operetta of '52 was a gay musical put on by the Senior Mixed Chorus. It was by far the most successful operetta ever produced in Cochran High School. This was due

to the grand cooperation of every member of the cast. Mrs. Inglefield directed the music, Mr. Helsel was in charge of the dialogue and Mrs. Struchen directed the dances.

New Records

Set a new scoring record for a single game with a 100-57 victory over Linesville at Cochranton on February 8, 1952—Previous record was set by the 1950-51 team with an 84-40 victory over Saegertown.

Set a new season's scoring record with 1333 points, which betters the 1184 points scored by the 1950-51 team.

Set a new average-points-per-game record with 60.5; previous record held by the 1950-51 team with 53.8.

Six of the eight defeats came at the hands of Slippery Rock, Mercer, and Cranberry—all outstanding teams in District 9 and 10 Class B circles.

Varsity Personalities

The key to the school spirit is always heightened with the coming of basketball season. This year Coach Axtel's varsity really gave the fans something to cheer about by winning the first eight games before bowing to a strong Slippery Rock team. The Varsity went on to win fourteen and loose

eight games, also ending third in the Tri-County League.

The team will loose only two of its starting five members. With the experience they have next year's varsity should win even more games, we wish them the best of luck.

BRUCE BABBITT—5'10" Forward; is a junior with a good shooting eye and lots of spirit.

BUD MORELL—6'1" Forward; senior, scored 487 points this year. Set an individual school scoring record for one game with 39 points.

FLOYD MOYER—6'2" Center; senior, a good one handed shot and hard to beat on the rebounds. Scored 279 points.

DICK BEERS—5'9" Guard; junior, he has a good set shot from back court, also very good on defense.

BILL WILSON—5'10" Guard; junior, gets those rebounds when their needed. Shoots mostly one handed.

ED CORNER 5'10" Guard; junior, will be giving his all next year and that will surely be a lot.

SHELDON SZITAS—6' Center; junior, has a nice jump shot and a lot of scrap when its needed the most.

DICK BERNARDING—6' Forward; junior, saw a lot of action this year and will be a leader next year.

LES PETERSON—6' Center; senior, lots of fight and a good replacement.

BOB McCracken—5'10" Forward; senior, a reliable sub who will give all his best when it's needed the most.

GAME RESULTS OF THE BASKETBALL SEASON

The Jay Vee's this year had a pretty fair season winning 11 and losing 11 games. This team is made up of sophomores and a few juniors, with this year's experience, next year's varsity should be strengthened by it. We hope they all pitch in and make a winner in the future.

NEW RECORD FOR JAY VEE:

Set new season's scoring record with 677 points, which betters the 669 points scored by the 1950-51 team. However, the 50-51 team played only 21 games as against 22 for the current season.

Set new scoring record for a single game with a 62-20 victory over Linesville at Conneaut on February 8, 1952. Previous record was the 56-42 victory over Grove City on February, 1951.

Junior High Basketball

The Junior High did not have a very successful season, winning two and losing sixteen. Coach Glenn Smock will have to give his boys credit for trying. Many times they lost by only a few points to a taller team. We are looking forward to a winning team next year, Coach.
